

The background is a vibrant, stylized illustration of a tropical jungle. It features a variety of plants in shades of blue, teal, brown, and green. Notable elements include large blue monstera leaves with white spots, a brown palm frond with white dots, and several ferns in different colors and patterns. **Women of
Changing
Together**

What is Changing Together?

- A center for immigrant and refugee women in the heart of Edmonton
- Our goal is to empower women to overcome systemic and personal barriers that keep them from participating fully in Canadian society
- We offer safe spaces, employment workshops, family services, English classes, and computer classes

Over the next few weeks, we will be featuring the stories of some of the brave women Changing Together has had the privilege of assisting in their immigration journey.

Please like, comment, and share so we can increase awareness and access to our center!
